LUKE: THE STORY OF SALVATION FULFILLED

In this 8 week study, Jeff Cavins and Dr. Jeffrey Morrow will show you the beautiful Biblical roots for Mary, the Rosary, and the Mass that are found in Luke, strengthening your prayer life like never before. You will witness key moments in salvation history including the Annunciation, the Nativity, his public ministry, and Jesus' suffering, death, and glorious Resurrection. There are parables found only in Luke, including the Prodigal Son, the Good Samaritan, and the rich man and Lazarus which will show you the mercy and compassion that Jesus has for each one of his children.

***PLEASE NOTE: Registration is now closed and we are unable to pre-order more books. However, you are more than welcome to still join the study and order your book separately! ST. JOSEPH THE WORKMAN COUNCIL

Kids Ministry & Catechesis of the Good Shepherd Update

We offer two levels of The Catechesis of the Good Shepherd method of Faith Formation for children. Level 1, which is located across from the gift shop in the church building, is for children ages 3-6. Level 2 is currently located in the FLC and is for children ages 7-9. The catechists who work with the children participate in over 100 hours of formation and prepare a special environment for the children, which is called the Atrium.

Why is it called an Atrium anyway? The word atrium actually means "portico, or porch entrance to a large house". The Atrium was a term given to this space by Maria Montessori. It was chosen because in the ancient church, the atrium was a gathering space between the Church Proper and the street. It was a place where the catechumens, those preparing for initiation to the Church, would receive introduction. The Atrium has a similar purpose for our children, as it is a place to help them enter into full, conscious, and active participation in the liturgical and communal life of the Church.

Recently in the level 1 Atrium, the children have celebrated Christmas and Epiphany: We have proclaimed from the Bible (Matthew 2:1-12) the Visitation of the Magi, referring to our maps to elevate the reality of this event, God places a sign of nature to announce Jesus' birth. The magi search for him and offer mysterious gifts as clues to his identity: Gold (for his kingship); Frankincense (because he is God); and Myrrh (because he is human, like us). This stirs wonder in the children as to the identity of Jesus through these gifts given to a small child. ("Are these good gifts for a baby?! What can these gifts tell us about the baby? I wonder what Mary will do with these gifts.") The magi offer a model for us in how to respond to Jesus, and we think about the slow, hidden way God brings great things through small beginnings. In the Level 2 Atrium with older children, we also have had a Christmas and Epiphany celebration and have presented a synthesis of the infancy narratives in which we take a closer look at the events, just before and after Jesus's birth, to discover in their recurrent themes a unity of the events which bind them together. Thus far, we have looked at synthesis themes of "prayer" and "names". In both atria, the children are provided with materials (dioramas of Mary's house; Elizabeth's house; figures of the magi, Mary, baby Jesus, the manger, etc.; scripture books, etc.) for them to return to and work with as they ponder the events that have taken place.

With children in other Faith Formation groups, we have covered many of the same historical infancy narratives and have discussed Jesus's public ministry, the apostles, the beatitudes and will begin to explore Jesus's parables." We appreciate catechists Karla Agurcia, Kim Derdock, Suzie and John Person, Trish Robertson, Patricia Smith, and Amanda Stratman who devote their time and talents; and who give love and care to the children of our parish.

To learn more about children's Faith Formation, the Atrium or to schedule a tour of the atria, please contact Ticia Gallo at ticia@saintritaparish.org.

Youth Ministry Update

We've had an exciting start to the year with some great events and youth ministry programming! Our High School Lock-In Retreat was a huge success, giving our teens a chance to pray as a community, spend time with Our Lord in Eucharistic adoration, and hear witness talks from mentors in our community, all while having fun and not sleeping much! 😊

Our teens and core team members braved the cold weather for our semester Kick-off Beach Bonfires. High school and Middle School youth nights have been alive with the Holy Spirit, with fantastic catechesis, games, and plenty of time for small group discussions. We also had an awesome collaboration with Young Life for a trivia night, bringing together high school students from across the community in the St. Rita Gym for some friendly competition.

Looking ahead to February, outside of our regular programming, we will have a middle school morning hike on February 8th at a 30A hiking trail, as well as a high school Escapology night in Destin on February 20th.

A huge thank you to our amazing Kitchen Team! Their dedication to preparing delicious meals on Mondays and Wednesdays for youth nights has been such a blessing. We are so grateful for their hard work and heart for serving our teens each week.

Stay tuned for more updates, and we can't wait to see you all soon!
